Whitney Point, NY 13862*

June 19, 2018

Dear Crafters,

The preparations for the 15th annual Whitney Point Fall Festival are well under way. This year's event will be held on Saturday October 27, 2018 at various locations in the Greater Whitney Point area.

The recent years have been the most successful Craft Fairs in the history of the Fall Festival and again we will be having a Craft Fair at the Route 11 School, the Tioughnioga Riverside Academy, from 9:00am to 3:00pm. The craft vendors continue to be an integral part of the wide variety of offerings for this exciting community event. Along with a parade, Fire Company exhibits, baking contests, food booths, and local entertainment (just to name some of the events) we expect to again have a family fun day with something for everyone. Also the photography contest will again be part of the event.

The craft registration fee this year remains the same, \$30 for a 10 x 10 space. If needed, overflow vendors will be placed in the hallways, the space being 12 x 5, at the same price. Sign up today to get a prime space in the gym. Spaces with electricity are limited so please sign up early to request electricity.

If interested, attached is a registration form. We hope you will be available to experience the excitement that the Whitney Point Fall Festival has to offer. Sign up early so a spot can be reserved for you.

And you can check our web page at www.whitneypointfallfestival.org for schedules, forms and updated information as it becomes available.

Thank you for your consideration.

Sincerely,

Sherry Sculley
Whitney Point Fall Festival
Craft Show Chairperson
