

Photo Contest

It seems as though more of us are taking pictures than ever. It's so easy to get surprisingly good quality photos with a phone. Whether you like camera or phone, you have an opportunity to share your best and maybe win a prize! Yes, the Whitney Point Fall Festival (Oct. 26) is again hosting a Photo Contest. We have three age group categories: Kindergarten - 6th grade, 7th - 12th grade, and adults.

You can submit up to 3 photos in any of these categories: People, Critters, Natural Places, Manmade Places, and Abstract. First place in each category and age group receives \$30 and second place \$20. We again will have the judging expertise of J.W. Johnston, our own published Fine Arts Photographer and Photography Teacher.

Find the rule details and entry labels at the Mary Wilcox Library, or go to whitneypointfallfestival.org to print out your copy. Find us on Facebook as well.

The deadline for photo entries this year is October 11th. We hope you will participate!
